Activity no 03: Trainings on Livestock

Food & Agriculture Organization – UN-FAO with the coordination of Livestock / Animal Husbandry Department Government of Sindh (District Tharparkar) organized one day community based Livestock Management Training – LMT(s) in different villages of two union councils (Bolhari&Posariko) of District Tharparkar. UN-FAO planned events especially for women livestock farmers as women are the key stakeholders who actually take care and manage livestock at household level.

Objectives of One day Training Session are:

- To prevent the animals from contagious diseases
- To improve management of domestic animals
- Conservation of indigenous breed
- Improved hygiene practices and to care their animals under hygiene environment
- Provision of fresh water
- Provision of Hydroponic fodder
- Livestock health management and preventive measures
- Proper vaccination as per schedule and de-worming
